Lieutenant General Vernon A. Walters, USA
Deputy Director of Central Intelligence
Central Intelligence Agency
Washington, D. C. 20505

Dear General Walters:

Graduation ceremonies for Attache Class 3-73 will be held at 1000 hours on Friday, 10 August 1973, at the Defense Intelligence School. Approximately, 25 students and their wives will participate.

As in the past, we are again inviting you to present the graduation address. Your presentations to the Attaches have always been received with enthusiasm and have been considered the highlight of each class.

I also realize the demands on your time are great and thus, express my gratitude, and that of the faculty, staff and students, for your continued interest in and support of the training of our future Attaches.

Informal arrangements for your invitation to address the Attaches were made with your secretary, Nancy, by your Agency representative here at the School.
